THE OFFICE OF THE SECRETARY OF THE ELCA
Chapter 1.  
NAME AND INCORPORATION

†S1.01. The name of this synod, as determined by the Churchwide Assembly shall be the Upstate New York Synod of the Evangelical Lutheran Church in America.

†S1.02. For the purposes of this constitution and the accompanying bylaws, the Upstate New York Synod of the Evangelical Lutheran Church in America is hereafter designated as “this synod” or “the synod”.

†S1.11. This synod shall be incorporated. Amendments to the articles of incorporation of this synod shall be submitted to the Church Council for ratification before filing.

†S1.21. The seal of this synod is a cross with three united flames emanating from the base of the cross and three entwined circles beside the cross. The dates “1786” (the year of the origin of this synod) and “1987” (the year of the constitution convention) appear respectively to the left and right of the cross. The name “Upstate New York Synod” is lettered around the outer rim and the name “Evangelical Lutheran Church in America” is lettered around the inner rim.

Chapter 2.  
STATUS

†S2.01. This synod possesses the powers conferred upon it, and accepts the duties and responsibilities assigned to it, in the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America, which are recognized as having governing force in the life of this synod.

†S2.02. The name Evangelical Lutheran Church in America (ELCA or “this church”) as used herein refers in general references to this whole church, including its three expressions: congregations, synods, and the churchwide organization. The name Evangelical Lutheran Church in America is also the name of the corporation of the churchwide organization to which specific references may be made herein.

†S2.03. No provision of this constitution shall be inconsistent with the constitution and bylaws of this church.

Chapter 3.  
TERRITORY

†S3.01. The territory of this synod, as determined by the Churchwide Assembly, shall be that part of the State of New York north and west of the southern boundaries of Columbia, Greene and Delaware counties except the counties of Clinton, Essex, and Franklin.

†S3.02. “Determined by the Churchwide Assembly,” as stipulated by †S3.01., is understood to include the reported changes in synod relationship made by any congregation in a border area agreed under ELCA bylaws 10.01.01. and 10.01.03.
Chapter 4.
CONFESSION OF FAITH

†S4.01. This synod confesses the Triune God, Father, Son, and Holy Spirit.

†S4.02. This synod confesses Jesus Christ as Lord and Savior and the Gospel as the power of God for the salvation of all who believe.

a. Jesus Christ is the Word of God incarnate, through whom everything was made and through whose life, death, and resurrection God fashions a new creation.

b. The proclamation of God’s message to us as both Law and Gospel is the Word of God, revealing judgment and mercy through word and deed, beginning with the Word in creation, continuing in the history of Israel, and centering in all its fullness in the person and work of Jesus Christ.

c. The canonical Scriptures of the Old and New Testaments are the written Word of God. Inspired by God’s Spirit speaking through their authors, they record and announce God’s revelation centering in Jesus Christ. Through them God’s Spirit speaks to us to create and sustain Christian faith and fellowship for service in the world.

†S4.03. This synod accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.

†S4.04. This synod accepts the Apostles’, Nicene, and Athanasian Creeds as true declarations of the faith of this synod.

†S4.05. This synod accepts the Unaltered Augsburg Confession as a true witness to the Gospel, acknowledging as one with it in faith and doctrine all churches that likewise accept the teachings of the Unaltered Augsburg Confession.

†S4.06. This synod accepts the other confessional writings in the Book of Concord, namely, the Apology of the Augsburg Confession, the Smalcald Articles and the Treatise, the Small Catechism, the Large Catechism, and the Formula of Concord, as further valid interpretations of the faith of the Church.

†S4.07. This synod confesses the Gospel, recorded in the Holy Scripture and confessed in the ecumenical creeds and Lutheran confessional writings, as the power of God to create and sustain the Church for God’s mission in the world.

Chapter 5.
NATURE OF THE CHURCH

†S5.01. All power in the Church belongs to our Lord Jesus Christ, its head. All actions of this synod are to be carried out under his rule and authority.

†S5.02. This church confesses the one, holy, catholic, and apostolic Church and is resolved to serve Christian unity throughout the world.

†S5.03. The Church exists both as an inclusive fellowship and as local congregations gathered for worship and Christian service. Congregations find their fulfillment in the universal community of the Church, and the universal Church exists in and through congregations. This church, therefore, derives its character and powers both from the sanction and representation of its congregations and from its inherent nature as an expression of the broader fellowship of the faithful. In length, it acknowledges itself to be in the historic continuity of the communion of saints; in breadth, it expresses the fellowship of believers and congregations in our day.

†S5.04. This church, inspired and led by the Holy Spirit, participates in The Lutheran World Federation as a global communion of churches, engaging in faithful witness to the gospel of Jesus Christ and in service for the sake of God’s mission in the world.
Chapter 6.

The congregation shall have the right to appeal any such decision to the next Synod Assembly.

S13.25. This synod may temporarily assume administration of a congregation upon its request or with its concurrence. Such synod administration shall continue only so long as necessary to complete the purposes for which it was requested by the congregation or until the congregation withdraws consent to continued administration.

a. The call of a congregation, when accepted by a minister of Word and Service, shall constitute a continuing mutual relationship and commitment which shall be terminated only by the deacon’s death or, following consultation with the synod bishop, for any of the following reasons:
   1) mutual agreement to terminate the call or the completion of a call for a specific term;
   2) resignation of the minister of Word and Service, which shall become effective, unless otherwise agreed, no later than 30 days after the date on which it was submitted;
   3) inability to conduct the office effectively in that congregation in view of local conditions;
   4) inability to conduct the office effectively in view of disability or incapacity of the minister of Word and Service;
   5) suspension of the minister of Word and Service through discipline for more than three months;
   6) resignation or removal of the minister of Word and Service from the roster of Ministers of Word and Service of this church;
   7) termination of the relationship between this church and the congregation;
   8) dissolution of the congregation or the termination of a parish arrangement; or
   9) suspension of the congregation through discipline for more than six months.

b. When allegations of disability or incapacity of the minister of Word and Service under paragraph a.4) above, or ineffective conduct of the ministry of Word and Service under paragraph a.3) above, have come to the attention of the bishop of this synod,
   1) the bishop, who has sole discretion, may investigate such conditions personally together with a committee of two rostered ministers and one layperson, or
   2) when such allegations have been brought to the synod’s attention by an official recital of allegations by the Congregation Council or by a petition signed by at least one-third of the voting members of the congregation, the bishop personally shall investigate such conditions together with a committee of two rostered ministers and one layperson.

c. In case of alleged disability or incapacity under paragraph a.4) above, the bishop’s committee shall obtain and document competent medical opinion concerning the minister of Word and Service’s condition. When a disability or incapacity is evident to the committee, the bishop of this synod may declare the position vacant. When the position is declared vacant, the Synod Council shall list the deacon on the roster of Ministers of Word and Service with disability status. Upon resumption of the ability to conduct the office effectively, the bishop shall take steps to enable the minister of Word and Service to resume the ministry, either in the congregation last served or in another appropriate call.

d. In the case of alleged local difficulties that imperil the effective functioning of the congregation under paragraph a.3) above, the bishop’s committee shall endeavor to hear from all concerned persons, after which the bishop together with the committee shall present their recommendations first to the minister of Word and Service and then to the congregation. The recommendations of the bishop’s committee address whether the minister of Word and Service’s call should come to an end and, if so, may suggest appropriate severance arrangements. The committee may also propose other actions that should be undertaken by the congregation and by the minister of Word and Service, if appropriate. If the minister of Word and Service and congregation agree to carry out such recommendations, no further action need be taken by the synod.
e. If either party fails to assent to the recommendations of the bishop’s committee concerning the
minister of Word and Service’s call, the congregation may dismiss the minister of Word and
Service only at a legally called meeting after consultation with the bishop, either (a) by a two-
thirds vote of the voting members present and voting where the bishop and the committee did
not recommend termination of the call, or (b) by a majority vote of the voting members present
and voting where the bishop and the committee recommended termination of the call.
f. If, in the course of proceedings described in paragraph c. or paragraph d. above, the bishop’s
committee concludes that there may be grounds for disciplinary action, the committee shall make
recommendations concerning disciplinary action in accordance with the provisions of this church’s
constitution, bylaws, and continuing resolutions.

†S14.44. Ministers of Word and Service shall respect the integrity of the ministry of congregations which
they do not serve and shall not exercise ministerial functions therein unless invited to do so by the
Congregation Council.
†S14.45. The minister of Word and Service shall make satisfactory settlement of all financial obligations to a
former congregation before:
   a. installation in another call, or
   b. approval of a request for change in roster status.
†S14.46. With the approval of the synod bishop expressed in writing, which sets forth a clear statement of
the purpose to be served by such a departure from the normal rule of permanency of the call as
expressed in †S14.43., a congregation may call a minister of Word and Service for a specific term.
Details of such calls shall be in writing setting forth the purpose and conditions involved. Prior to
the completion of a term, the bishop of this synod or a representative of the bishop shall meet with
the minister of Word and Service and representatives of the congregation for a review of the call.
Such call may also be terminated before its expiration in accordance with the provisions of
†S14.43.
S14.47. All ministers of Word and Service under a call shall attend meetings of the Synod Assembly, and
the ministers of Word and Service of congregations shall also attend the meetings of the
conference, cluster, coalition, or other area subdivision to which the congregation belongs.

Chapter 15.
FINANCIAL MATTERS
†S15.01. The fiscal year of this synod shall be February 1 through January 31.
†S15.11. Since the congregations, synods, and churchwide organization are interdependent expressions that
share in God’s mission, all share in the responsibility to develop, implement, and strengthen the
financial support of the whole church. The gifts and offerings of the members of the Evangelical
Lutheran Church in America are given to support all parts of this church; thus the unity of this
congregation should be evidenced in determining each part’s share of the gifts and offerings. Therefore:
   a. The mission of this church beyond the congregation is to be supported by such a proportionate
share of each congregation’s annual budget as each congregation determines. This synod shall
develop guidelines for determining “proportionate share,” and shall consult with congregational
leaders to assist each congregation in making its determination.
   b. This synod shall receive the proportionate share of the mission support from its congregations,
and shall transmit that percentage or amount of each congregation’s mission support as
determined in consultation with the churchwide organization and approved by the Synod
Assembly as part of its budget consideration.
   c. Should the Synod Assembly not approve the proportionate share of mission support determined
in consultation with the churchwide organization, a new consultation with the churchwide
organization shall take place. The Synod Council is authorized to amend the budget adopted by
the Synod Assembly to reflect the results of this consultation.
†S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to supportive funding with other synods and the churchwide organization.

S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.

S15.14. Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16% of the sum of the amounts scheduled in the next year’s budget for regular distribution to synod causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.

S15.21. No appeal to the congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.

†S15.31. This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this synod.

†S15.32. This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

Chapter 16.
INDEMNIFICATION

†S16.01. Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made a party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person’s capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of †S16.02.

a. The term “proceeding” means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term “proceeding” does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to †S16.04., a disciplinary hearing or related process described in Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

b. The term “indemnification” includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlements, excise taxes, reasonable attorneys’ fees, disbursements, and similar required expenditures.

†S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod as (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.
†S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in †S16.01. or †S16.02.

†S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America by the synod bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synod bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney’s fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be made by the Synod Council.

Chapter 17.

CONSULTATION AND ADJUDICATION

†S17.01. The synod bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.

†S17.02. The synod bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When a concern relates directly to the synod bishop, the synod vice president will lead the Executive Committee’s efforts at resolving the matter. When the matter at issue cannot be resolved in this manner, applicable procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could lead to the discipline of a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

†S17.03. When there is disagreement between or among congregations of this synod on a substantive issue that cannot be resolved by the parties, the council of an affected congregation may petition the synod bishop for a consultation after informing the other affected congregation(s) of its intent to do so. If this consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee’s efforts fail to resolve the issue(s), the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The decision of the Synod Council shall be final.

†S17.04. When conferences, clusters, coalitions, or area subdivisions of this synod have a disagreement on a substantive issue that they cannot resolve, the aggrieved party or parties may petition the synod bishop and the Executive Committee of the Synod Council requesting a consultation after informing the other affected parties of their intent to do so. In this case the decision of the Executive Committee shall prevail, except that, upon the motion of a member of the Synod Council, the decision shall be referred to the Synod Council for final action.

†S17.10. Adjudication in a Congregation

†S17.11. When there is disagreement between or among factions within a congregation on a substantive issue which cannot be resolved by the parties, members of the congregation may petition the synod bishop for consultation after informing the president of the Congregation Council of their intent to do so. The synod bishop shall seek a timely resolution of the dispute. If the issue relates directly to the pastor, the bishop may begin the process in †S14.18.d. In all other matters, if the bishop’s consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee’s efforts fail to
resolve the dispute, the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The Synod Council’s decision shall be final.

Chapter 18.
AMENDMENTS, BYLAWS, AND CONTINUING RESOLUTIONS

†S18.10. Amendments to Constitution

†S18.11. Certain sections of this constitution incorporate and record therein required provisions of the constitution and bylaws of this church. If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the Evangelical Lutheran Church in America.

†S18.12. Whenever the secretary of the Evangelical Lutheran Church in America officially informs this synod that the Churchwide Assembly has amended the Constitution for Synods, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the Constitution for Synods shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption.

†S18.13. Other amendments to this constitution may be adopted by this synod through either of the following procedures:

a. Introduced with the support of at least 30 voting members and having been approved by a two-thirds vote of the voting members present and voting at a regular meeting of the Synod Assembly, an amendment may be adopted unchanged by a two-thirds vote at the next regular meeting of the Synod Assembly.

b. The Synod Council may propose an amendment, with notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.

†S18.20. Amendments to Bylaws

†S18.21. This synod may adopt bylaws not in conflict with this constitution or with the constitution and bylaws of the churchwide organization. This synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting. Newly adopted bylaws and amendments to existing bylaws shall be reported to the secretary of this church.

†S18.30. Amendments to Continuing Resolutions

†S18.31. This synod may adopt continuing resolutions not in conflict with this constitution or its bylaws or the constitution, bylaws, and continuing resolutions of the churchwide organization. Such continuing resolutions may be adopted or amended by a majority vote of the Synod Assembly or by a two-thirds vote of the Synod Council. Newly adopted continuing resolutions and amendments to existing continuing resolutions shall be reported to the secretary of this church.
Appendix #1

S14.18.A17. Professional Misconduct of a Sexual Nature by Rostered Ministers of Word and Sacrament and Word and Service

1. INTRODUCTION

Ministers of Word and Sacrament and ministers of Word and Service are charged with special responsibility for the gospel and for their leadership of the people of God. In conjunction with the requirements of their specific ministries as set forth by the Evangelical Lutheran Church in America pursuant to ELCA Bylaw 10.21.11., it is expected that their conduct by exemplary in all matters of morality and personal ethics. Therefore, the Upstate New York Synod (Synod) of the Evangelical Lutheran Church in America (ELCA) is committed to preventing sexual misconduct within the Church and to responding with justice and compassion when such misconduct occurs.

The synod recognizes that responding to allegations of sexual misconduct requires determination, sensitivity, flexibility, and respect for all persons affected, including the victim, the rostered person, their families and friends, the congregation, the synod, and the whole church. This policy is intended to provide a framework for guidance in dealing with these cases while preserving the synod’s discretion to treat each person and each case in the manner necessitated by differing facts, circumstances, and needs of those affected. This policy cannot be imposed as rigid law, binding the synod and others to its dictates; it must be interpreted and applied compassionately in accordance with the theological and biblical principles of the Gospel.

A. DEFINITIONS

1. “Sexual Misconduct”

Ministers of Word and Sacrament and ministers of Word and Service are expected to be trustworthy. Their church office places them in a position of power with access to a variety of resources and a sacred context in which congregants depend upon them to behave in a godly manner. Ministerial power is heightened when congregants come to them for pastoral care or counseling. Church leaders are responsible for maintaining appropriate boundaries and prohibiting sexual contact, even if a congregant asks for a sexual relationship or consents to one. There is no such thing as mutual consent between rostered ministers and a congregant. Sexual misconduct is the abuse of power and the betrayal of trust.

Sexual misconduct includes a wide range of verbal and/or physical behaviors which are sexual in nature. Examples of verbal behaviors include: suggestive comments, sexual innuendoes, questions seeking the details of a congregant’s intimate relationships, self-disclosure of his or her partner’s sexual inadequacies to a congregant, and/or tales of his or her sexual experiences or exploits. Examples of physical behaviors include: a prolonged hug when a brief one is customary, pressing a congregant up against his or her body, kissing on the lips when a kiss on the cheek would be appropriate, an inappropriate gift to a congregant such as lingerie, sexual contact which may be painful or may be arousing and satisfying to one or both persons involved.

This policy is intended to address sexual misconduct that may lead to discipline of a rostered minister under Chapter 20 of Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

2. “Complainant”

As used in this Statement of Policy “complainant” means a person who reports to the Office of the Bishop that he or she is a victim of alleged sexual misconduct. When the victim is a minor or a person lacking capacity the complainant may be a supporting adult.

3. “Rostered Person”, “Pastor”, or “Clergy”

As used in this Statement of Policy, “rostered person” “pastor” and “clergy” include rostered ministers Word and Sacrament and ministers of Word and Service. This Statement of Policy will assume that the rostered person who is accused of sexual misconduct is under call to a congregation, but the policy applies and the process may be adapted to calls in other circumstances.
4. “Resource Team”
As used in this Statement of Policy the “Resource Team” is a group appointed by the Bishop and approved by the Synod Council Executive Committee. The Team will consist of clergy and lay people of the Synod who have received special training in the area of professional misconduct of a sexual nature and/or congregational healing. The Bishop may call on team members for advice and counsel. At the Bishop’s request, members will assist the Bishop by meeting with a complainant and/or alleged offender, investigating an allegation, and offering support and healing to congregations. The Bishop may also ask other persons to assist in situations where a Resource Team member is not available. These persons will be considered members of the Resource Team for purposes of policy.

II. RESPONSE PROCEDURES

A. REPORTING AN ALLEGATION OF PROFESSIONAL MISCONDUCT OF A SEXUAL NATURE

1. Initial Contact
The Bishop of the Upstate New York Synod is to be contacted by the complainant personally. The complainant should make known that this is an emergency. If the allegation is made in regard to the Synod Bishop, contact should be made with the Presiding Bishop of the ELCA at 1-800-NET-ELCA.

The Bishop (or other person) contacted by the complainant will 1) assure the complainant that the Synod does not tolerate sexual misconduct and takes seriously all reports of such misconduct; 2) express care and concern for the complainant; 3) explain the Synod’s process for responding to reports of sexual misconduct and offer to provide a copy of this Statement of policy; 4) answer the complainants questions about the policies and procedures of the Synod; 5) when the complainant is anonymous, encourage the complainant to identify herself or himself and the pastor involved in the misconduct; 6) ask the complainant to submit a written allegation and 7) notify the Synod’s attorney.

When a complainant is made by a third party, they will be informed that the Bishop’s office is unable to respond further without an allegation from the complainant. The Bishop’s office is unable to respond further to third party allegations.

Recognizing that reports of sexual misconduct will occur in a variety of ways, it is important that reports are channeled to the Bishop’s office. An inquiry or questioning of the complainant should not be conducted until the Bishop’s office has been contacted.

2. Written Allegation
The complainant will be asked to submit a written allegation in order to continue beyond the initial meeting. The allegation shall be given/sent to the Bishop; Upstate New York Synod of the Evangelical Lutheran Church in America, 116 W Glen Avenue. Syracuse, NY 13205. Phone 315-299-4955, Fax 315-299-4981.

The allegations shall include the following information:

(1) Names of person involved
(2) A description of the allegation which includes relevant circumstances, context, dates, and details of the incident(s).
(3) Religious bodies/religious affiliations/agencies of the parties involved (such as church or church camp with national church name).

Insofar as possible, the Bishop will respect the wishes of the complainant regarding confidentiality. However, at some point, the Bishop may be required by civil law or by the governing documents of the ELCA to disclose the identity of the complainant. In unusual circumstances, the fact that the Bishop is responsible to the Synod may require that he or she act contrary to the wishes of the complainant. Sometimes, the identity of the complainant may become known despite the best efforts of the Bishop to protect that person’s identity.
The Bishop cannot guarantee confidentiality to a complainant.

3. Initial Recommendation
After receiving a written allegation, the Bishop, in consultation with some Conflict and Healing Team members, may determine whether or not the process will continue. If the process does not continue, the Bishop will notify the complainant. If the process continues, the complainant will be informed of the status of the process. An initial meeting will be held with the alleged offender when the decision is made to continue the process.

4. Withdrawal of Application
When the complainant submits a written allegation to the Bishop, the procedures in the Synod policy will be followed until the process is completed. If the complainant withdraws/denies the written allegation, the Bishop, in consultation with Resource Team members involved in this case, will decide if the process will continue. Any written allegation, as well as the results of any investigation, will be placed in the rostered person’s file and noted on his/her record.

5. If the Allegation Involves a Minor or a Person Lacking Capacity
If the allegation involves a child, 17 years old or younger, the supportive adult (e.g. parent, relative, teacher, or friend) will report the allegation immediately to the Bishop’s office. Please inform the Bishop’s office if a report is made to a legal authority. Clergy are not mandated to report unless the alleged abuse occurs in a church school setting, however the Synod encourages appropriate adults to make reports to the New York State Child Abuse Hotline. If the Hotline report is appropriate and has not been made, the Bishop will arrange to file such a report. When details of the allegation are received, the Bishop, in consultation with the persons in charge of the safety of the child, will identify the supportive adult who will continue to communicate with the child and, if necessary, communicate on the child’s behalf. The supportive adult will submit the written allegation to the Bishop or to the designated Resource Team members. A Supportive adult will be encouraged to act on behalf of a person lacking capacity.

6. Allegations of Past Unreported Sexual Misconduct
Allegations may be made regarding sexual misconduct which occurred in past years. The complainant may wish to participate in a healing process with the alleged offender without engaging in the formal process herein stated. If a written allegation is submitted to the Bishop’s office, it will be taken seriously. There will be a response based upon the wishes of the complainant, the nature of the allegation and the discretion of the Bishop.

B. INITIAL RESPONSE TO THE COMPLAINANT

1. Initial Response
In a timely manner, the Bishop will appoint two or three Resource Team members to be involved in the proceedings. The team members will meet with the complainant. The complainant may bring a supportive person. If possible the same team members will also be present in the initial meeting with the alleged offender.

2. Documentation
Resource Team members responding to the allegations will keep notes with such information as date, time, place, context, and statements of complainant, the rostered person who is the alleged offender and other involved parties. Any meeting will conclude with the team members preparing a written summary which is factual in nature, avoiding personal feelings and speculations in documentation.
3. Meeting with Complainant
The Resource Team members will arrange a meeting with the complainant in a timely manner. The team members will address the following concerns when indicated:

a. Be supportive of the complainant and family and express the concern of the church for them.
b. Listen to the complainant’s allegation.
c. Assess the nature and seriousness of the accusation.
d. Determine if the complainant is aware of other persons who have experienced this form of sexual misconduct by the rostered person. Where there are multiple victims, an opportunity for voluntary sharing among them may be provided.
e. Assess if the complainant would be in danger if her/his identity is revealed to the rostered person. How, when, and to whom the person’s identity will be revealed throughout the process needs to be stated with consideration given to the complainant’s desires.
f. Provide the complainant with information about the Statement of Policy Regarding Professional Misconduct of a Sexual Nature of the Upstate New York Synod.
g. Determine whether or not the complainant is willing/able to participate in the investigative procedures.
h. If a written allegation has not been received, request one at that time.
i. Determine what response the complainant would like from the Synod.
j. The Synod may offer to provide funds for a specified number of counseling sessions.

4. After Initial Meeting with Complainant
The Bishop in consultation with the Resource Team members, will decide whether or not to continue the process. If the process is to continue, the team members will arrange to meet with the rostered person who is the alleged offender.

C. NOTIFYING THE ROSTERED PERSON WHO IS THE ALLEGED OFFENDER

1. Meeting with the Rostered Person
The Resource Team members involved in this case will arrange a meeting with the rostered person who is the alleged offender. The rostered person may bring a supportive person. At the time of the meeting, the team members will inform the alleged offender of the allegation. If the written allegation has been received, it will be presented at that time. The team members will address the following concerns when indicated:

a. Be supportive of the rostered person and family and express the concern of the church for them.
b. Provide the opportunity for the rostered person to respond to the allegation.
c. Request the rostered person to prepare a written response to the allegation. The written response will assist the team members in determining the appropriate course of action.
e. A request may be made by the Bishop, in consultation with the team members, that the rostered person be evaluated at a recommended treatment center. This treatment center may be different than the possible rehabilitation center that may be used at a later date.
f. The Bishop, in consultation with the team members, will write a statement
specifying under what conditions ministerial tasks may or may not be conducted by the rostered person. This statement may be shared with key leaders of the rostered person’s congregation/agency.

g. According to the Constitution of the Upstate New York Synod (S14.13.f) the Bishop in his or her sole discretion may, when such allegations prohibit the pastoral office to be conducted effectively, temporarily suspend the rostered person without prejudice and with pay. The congregation will pay for supply pastors.

h. If the investigation is to continue, the Bishop will call a meeting with the key leaders of the rostered person’s congregation/agency.

D. INFORMING THE KEY LEADERS OF THE ROSTERED PERSON’S CONGREGATION/AGENCY

1. Meeting with Key Leaders
The Bishop will decide, in consultation with the Resource Team members involved in the case, which key leaders are to be invited. The team members will then notify the key leaders of the meeting. The team members will attend the meeting and present a description of the complainant’s allegation and the rostered person’s response. This disclosure does not include the name of the complainant. The team members will address the following concerns when indicated.

b. Clarify that an allegation is not determined true or false until a thorough investigation has been made.

c. Report how the rostered person will continue ministry. This decision will be made by the Bishop in consultation with the team members.

d. Express concern for leaders and members

e. **Insist that the key leaders not divulge any confidential information.**

f. Keep key leaders informed of the status of the investigation.

E. INVESTIGATION

1. Procedure
The Resource Team members involved in this case will investigate allegations in a timely manner. The investigation will include any relevant inquiry which may or may not substantiate the complainant’s allegations.

The investigation will be executed discreetly without implicating the rostered person or complainant. Confidentiality will be maintained throughout the investigation.

2. Recommendations
When the team members have concluded their investigation, they will consult with the Bishop regarding future proceedings. The Bishop may initiate the consultation and/or discipline procedures as set forth in the Constitution of the Upstate New York Synod and the ELCA. The complainant, the rostered person and key leaders will be notified of future proceeding.

3. Discipline
If the team members recommend that there be constitutional action, the Bishop may bring charges in accordance with the provisions and bylaws of the Evangelical Lutheran Church in America and the Upstate New York Synod. The victim, the offender and members of the offender’s congregation/agency will receive notice of this action. The Synod Council Executive Committee of the Synod and the rostered person’s Dean will also receive notice of this action.
4. **Forgiveness**
The matter in which we respond to our sin in the Lutheran tradition is through the process of repentance. Repentance is an act of contrition in which confession and a change in behavior is sought. Repentance by the convicted offender is to be sought. One can be forgiven without being re instituted into the former position of church leadership. Demonstration of repentance may include some restitution to the victim(s) or congregation/agency to assist in healing and closure.

5. **Unfounded Allegation**
If the allegation is not proven at the conclusion of the investigation, the process will be considered complete. The team members will meet at separate times with the following persons to inform them of the results: the complainant, the rostered person offender and the key congregational leaders. The results will also be noted in the rostered person’s file.

**F. RECOMMENDATIONS FOR THE AFTER-CARE OF THE CONGREGATION**
The Bishop, in consultation with the Resource Team and key congregational leaders, will establish a plan for after-care of the congregation.

1. **Removal of the Rostered Person**
If the rostered person is removed for disciplinary reasons, the Bishop will appoint an intentional interim pastor to the congregation. The interim pastor will work with members of the Resource Team to structure a process of recovery for the congregation.

2. **The Rostered Person Accused of Unfounded Allegations**
The team members will continue to offer support and resources to the rostered person who has been accused of unfounded allegations. The rostered person will be exonerated before those who knew of the allegation and such exoneration shall be noted in the rostered person’s file. The team members may suggest ways in which reconciliation may be sought between the rostered person and the complainant.

3. **The Complainant**
The team may suggest ways of healing and reconciliation for the complainant.

4. **Notice of Professional Misconduct of a Sexual Nature by a Rostered Person Formerly in the Upstate New York Synod**
When the Bishop receives notice of a former rostered person of the Upstate New York Synod is being disciplined for professional misconduct of a sexual nature, he or she in consultation with the leadership of the former rostered person’s congregation will decide how the news will be shared. If the news is shared, the Bishop will assign Resource Team member(s) as a resource to those affected.
APENDIX 2: CODIFICATION EXPLANATION FROM THE ELCA OFFICE OF THE SECRETARY FROM THE MODEL CONSTITUTION FOR SYNODS, ELCA.

The Constitution for Synods, like the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America and the Model Constitution for Congregations, is organized into chapters by general subject matter and codified as follows:

a. Constitutional provisions in the Constitution for Synods are codified with two sets of numbers, preceded by an “S”: the chapter number followed by a period, and a two-digit sequence number also followed by a period.

1. **Required constitutional provisions** adopted by the Churchwide Assembly are preceded by [†]. These provisions are required of all synods and must be used without alteration or amendment of the text in any manner. No additions or deletions are permissible. In accordance with provision †S18.11, amendments to required provisions in the Constitution for Synods passed by the Churchwide Assembly are automatically incorporated into the constitutions of individual synods upon formal certification by the secretary of this church. For example, †S7.21. is a required constitutional provision in Chapter 7, the chapter on the Synod Assembly.

2. **Recommended constitutional provisions** adopted by the Churchwide Assembly are not preceded by a [†]. As stated in †S18.12.,

Whenever the secretary of the Evangelical Lutheran Church in America officially informs this synod that the Churchwide Assembly has amended the Constitution for Synods, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the Constitution for Synods shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption.

3. Other constitutional provisions, including modified versions of the recommended provisions, may be proposed and adopted by individual synods. Such provisions may not conflict with the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America and are adopted and become effective in accordance with †S18.13.

b. The Constitution for Synods contains some **required bylaws and recommended bylaws**. They are codified with three sets of numbers, each followed by a period: the chapter number (preceded by an “S”), the related constitutional provision number, and a two-digit bylaw number. For example, a required bylaw related to Synod Assembly would be codified as †S7.21.01. A recommended bylaw related to Synod Assembly would be codified as S7.11.01. Beyond the few required and recommended bylaws, synods may adopt additional bylaws related to each synod’s organization, operation, and life.

Bylaws are adopted and amended in accordance with Chapter 18 of the Constitution for Synods. Bylaws should be incorporated following the constitutional provisions to which they apply. They should not be organized in a separate section or document.

c. The Constitution for Synods does not contain any suggested **continuing resolutions**. When or if synods adopt continuing resolutions, they also are codified with three sets of numbers, except that the third set is preceded by a capital letter indicating sequence and a two-digit number indicating the year of its adoption. For example, the first continuing resolution adopted in 2022 related to the membership of the Synod Assembly would be numbered “S7.21.A22.”

Continuing resolutions are adopted and amended in accordance with Chapter 18 of the Constitution for Synods. They are intended to provide more detailed descriptions of operational patterns and practices within the synod. They should be incorporated following the constitutional provisions and/or bylaws to which they apply. They should not be organized in a separate section or document.

Each synod has discretion and may develop its own constitutional provisions, bylaws, and continuing resolutions (including bylaws and continuing resolutions related to required constitutional provisions) as long as they do not conflict with constitutional provisions in the Constitution for Synods, required synod bylaws, or the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America. All amendments to synod constitutions shall be reported to the secretary of this church.

**Note:** In some chapters, you will see that certain numbers are missing from the numbering sequence. These omissions are intentional in order to provide options for future additions.
ADDITIONAL CONSIDERATIONS

- Alternatives are provided in some places within the Constitution for Synods. Alternatives are noted by brackets or blank lines. For example, constitutional provision †S8.51. allows synods to choose the length of terms for the vice president, secretary, and treasurer. The appropriate number of years should be filled in by each synod. In addition, †S8.51.c. provides that the treasurer may be elected by the Synod Assembly or appointed by the Synod Council. Each synod should select one of those options.

- “Church” with a capital letter is used in references to the one, holy, catholic, and apostolic Church. In references to the Evangelical Lutheran Church in America, the words “church” and “this church” in lower case letters are employed.

The Office of the Secretary is available for consultation about potential amendments to the Constitution for Synods and the review process for congregation constitutions. The important task of amending a constitution is challenging. It is, however, an essential endeavor that merits thoughtful work. In addressing the synod’s constitutional responsibilities, may God grant you and your colleagues wisdom, discernment, and commitment to the unity of this church in faithful witness to our Lord and Savior, Jesus Christ.
