
2002 EXPERT SURVEY ON NATIONAL PARTIES AND THE EUROPEAN UNION

Center for European Studies
University of North Carolina, Chapel Hill

Instructions

- Please answer the questions in this survey by circling the response that best captures your view of the positions of the leadership of national parties of [COUNTRY]. We have attached a list of the local abbreviations of the national parties along with their full names.
- Please keep in mind that we would like you to reflect on the positions of the **national parties in 2002** (unless we state differently in the questions).
- Please keep in mind as well that we are interested in the views of the party leadership: the chairperson, the party presidium, and the parliamentary party (as opposed to the views of the party base.)
- We would like you to answer all questions. However, please feel free to skip questions you cannot answer, and to skip parties that are unfamiliar to you. **We would rather that you return an incomplete questionnaire than no questionnaire at all.**
- After you have filled out the survey, please mail it to the Center for European Studies of the University of North Carolina in the enclosed envelope. Or you can download the questionnaire from <http://www.....>, and fill it out online.

We thank you very much for taking the time to share your knowledge with us.
