MESSAGE NOTES:

John 13:1-17

Humility flounders when we are:

Too impressed by status John 13:6, 13-16

Too self-important to be a servant John 13:5, 12

Too preoccupied by our own agenda

Too proud to be served by Jesus John 13:7-11
STUDY GUIDE:

Review: What was one thing from this passage that challenged, confused you, or stood out to you?

Reflect:
1. What impacted you the most personally from the teaching? Why?

2. Which of the four reasons for humility floundering is most common in your own life?

3. What other examples in the Bible can you think of where a command has a cultural expression and a universal application? Is culture ever a reason to dismiss the underlying principle?

4. What difference does the “Just as” make in verse 15? Where does the real power to choose humility come from?

5. What ways can you personally express humility this week? What can we do as a group to express humility?

6. What would happen if all the people who attend Orchard Hill Church practiced humility in the way designed by Francis of Assisi?
