

Our parent survey provided the following responses about why parents chose Rock Prairie Montessori School for their child.

"It is a safe, nurturing place for my children to develop a love of learning."

"It is the only school in town that offers a 2 year old preschool instead of daycare."

"My child learns completely before moving on to another subject...my child moves as fast or as slow as needed in order to grow to his fullest potential."

"We value the positive impact it has had on our child socially."

"We have open communication with our child's teacher."

"The wonderful environment the children have to learn in."

"The beautiful materials and opportunity to learn reading, math and science at my child's own pace in a non-competitive environment."

"It is a safe, nurturing place for my children to develop a love of learning."

"My children are all different, yet they have and are finding their own path at Rock Prairie Montessori School."

"I love that our daughter has learned so much about self-sufficiency and respect at Rock Prairie Montessori School."

"I am in love with everything about the Montessori education experience."

"That my son's first introduction to education and teachers is at a school that promotes learning, community, exploration and peace...It is about blossoming and growing. It is about the excitement and ownership he feels in his education. It is about the respect he is learning to give and receives at school. Rock Prairie Montessori School is all about opportunity for the child. There are no brakes put on his learning."

"Daily recess and healthy snacks contributed to our decision."

"I appreciate the extra effort that my son's teachers put forth with all of their students. When I drop my son off at school he is happy to see his teachers and doesn't cry when I leave. I feel comfortable knowing he is in good hands when I leave him."

"Rock Prairie Montessori School's commitment to the core Montessori philosophy."

"Our child is very happy and feels very safe...and has learned to be independent."

"It is a personable school that is safe, caring and respectful. I feel totally at ease dropping off my child knowing she is safe and learning so much in a great environment with wonderful teachers."

"The administration is very professional and aware of all things going on at the school. I appreciate that the administration takes time to say "hi" and ask how things are going for our child. "

"Everyone is completely helpful in explaining anything we are asking...we are grateful for the staff and how they have such a passion to see a child succeed."

"I love that the administration is knowledgeable and friendly."

"The faculty and grounds are superb."

"We very much appreciate how all staff know who our daughter is and how her teachers know what she is capable of and continue to challenge her to grow."

"I appreciate the patience that all of the teachers have with the children and the respect I see from both child and teacher with one another."

"We are really happy with how much each person at RPMS cares about the students."

"We absolutely love the school."
