

FRANCHISE ALERT # 10: Children-related Franchises

OWNER'S ROLE:

Can be owner/operator (a full-time commitment), executive management (also a full-time commitment), or semi-absentee (a part-time commitment where the owner manages managers)

SKILLS AND ABILITIES REQUIRED:

Owner/operator - a love for working with kids and their parents, great people and communication skills, ability to learn and apply the franchise training, ability to build, motivate and lead a team

Executive management - strong people and business skills, ability to build, motivate and lead your team, execute the business plan, and grow the business

Semi-absentee - similar skills as executive management, ability to hold people accountable, manage managers, execute the business plan, and grow the business to multiple territories

NOTE: The child-related services industry is a \$48 billion-a-year industry that has been growing steadily at a rate of 1.5%.

UNIQUE CHARACTERISTICS:

Child-related service franchises are a huge market with a wide range of business investment opportunities. Children-related franchises include the typical tutoring, daycare, babysitting, and education services including driver's ed. They also include a host of other options including clothing and toy consignment, entertainment, sports, haircuts, photography, and music. To learn more about these types of franchises, check out this [report](#).

MINIMUM FINANCIAL QUALIFICATIONS:

\$50K+ (non-financed money/cash)

\$100K - \$150K Net Worth (All Assets minus All Liabilities (debt))

HOT MARKETS:

There are HOT and AVAILABLE markets all across North America.
