DIGNITY AND RESPECT FOR THE INDIVIDUAL

Maryville Older Peoples Home

Based in Brentford, London.

Healthcare Assistant - £17,116

Do you want to work for an organisation with 100% services rated as GOOD with CQC.

Do you want to work for an organisation that truly invest in their staff, as demonstrated by the recent SILVER Investors in people award.

We are looking to appoint Healthcare Assistants at one of our Care Homes in West London. Maryville is a small older people's home with the added advantage of offering nursing care where appropriate. Residents are within three main areas of the home which are purposely designed to provide tailored care with 39 beds in total.

Different from large scale Older People's Homes, Maryville is small and homely and able to offer truly personalised care. The home is in close proximity to the shops, medical services, leisure facilities and library and has the added advantage of having its own chapel on site with daily Mass, for those who wish to use it.

Our aim is to provide a unique, high quality supportive, stimulating and homely environment for care; enabling individuals to retain their independence and lead valued, fulfilled lives.

There is excellent transport links by bus, London underground and British Rail.

The ideal candidate will have:

- Experience in a care or similar environment.
- Willingness to work flexibly including weekends and unsociable hours.
- Excellent communication skills.
- An understanding of the person centred approach and a commitment to the care, support and valuing of the individuals who use our service.
- A positive attitude.

Our Vision – *that people live life to the full with their dignity respected, independence supported and uniqueness valued* - runs throughout our activities and is part of a thread running back 140 years to the foundation of our organisation by Frances Taylor. The name of the Frances Taylor Foundation has been used since 1994 for the social care services of the organisation she founded as the Poor Servants of the Mother of God, now a registered charity. Our services, and our employment opportunities, are open to people of any faith or none, and we are proud of the diversity and inclusiveness of the Frances Taylor Foundation.
