

Century Cotton Mill Tower

Memorial Brick Walkway Project

BRICK ORDER FORM

Did your family work at the Century Cotton Mill factory? Did your family cover their dining table with a beautiful damask table cloth made at the factory? Would you like to leave a lasting legacy of your family by having a laser etched memorial brick placed in the walkway of the newly restored tower entrance to the Century Cotton Mill factory? This is the only chance you will have to contribute to the restoration effort. Approximately 200 bricks will be available for purchase. Contributions will be used to create the walkway and purchase a new wrought iron fence surrounding the renovated tower.

The cost of each 4" X 8" Memorial Brick is \$100.00. Bricks will be assigned a number based on date received. Lower numbered bricks will be located closest to the front sidewalk of the tower. You will be informed of the date that the walkway will be completed. Later, a dedication of the new walkway and fence will be announced. In addition, updates will be published periodically in the local newspapers as progress is made on the contributions. The use of upper and lower case inscriptions will be at the discretion of the Walkway Committee.

Examples of memorial brick sentiments:

In Memory of _____	In Honor of _____	The Family of _____
Date		

Note: Please make additional copies of this form for every brick purchased.
