

2018
EMPIRE WEDNESDAY
NIGHT RACE LEAGUE
at
Loggenburg
MOUNTAIN

SCHEDULE: ALL EVENING RACES STARTING AT 7:00 PM

January 10	January 31
January 17	February 7
January 24	February 14
February 28 (if needed – practice night for fun)	

FINALS **March 4**

ROSTERS: Each team will consist of five men and two women. All racers can race each week and are in contention. The best four male racers' places and best female racer's place will count toward team score for that week. **TEAM ROSTERS MUST BE COMPLETE BEFORE DECEMBER 15TH**, or first race scores may not count.

LIFT TICKETS: Team members who do not have a season pass will sign for a lift ticket at the ticket office each day of competition.

ILLEGAL SUBS: Only racers on your entry form can compete. Any team that allows an illegal sub will be fined **extra points** to the team score. Captains: please note to all of your teammates.

SCORING: Each racer's best time out of two runs will count.
Men are scored separately from women, unless a woman is running as a male team member.

Failure to start or finish: If a racer does not start or finish at least one run, that racer receives a ghost time of last place if his/her time is needed that night.

Ties: If racer's time is needed for team total, that time will be used as is.

Fastest male or female: Determined by point standings averaged over the best 5 out of 6 races, whether their times counted toward team or not.

Team Standings: Best 5 night races plus finals. If no final race, best 5 races. If no final and less than 6 night races, all races will count. In case of Team ties for weekly results, both teams will receive that placing and next place finish will be skipped, as in individual result ties. In Team ties for final series placing, the team with the best placements for the series will break the tie, no skip to next place.

SEEDING: Women will race first (unless a woman is racing as a man- then she races in the men's seed). Women's seed #1 is all women over 50 and #2 will be all younger. #1 first always.

Men age 50+ run in first male seed every week by roster entry order.

First man (under 50) on team roster races second seed first week, third seed second week, and so on. **Order of runs will be posted each night at Foggy Goggle Entrance.**

Team seeding determined by the order in which entries are received with **full team payment.**

To keep our series fun, fair, and timely, it is necessary to run in proper order. If a racer misses his/her start, the racer may run at the END OF HIS/HER SEED. If the racer misses the seed, the racer may run at the end of the run. A DNS will be given for a missed run.

AWARDS: Final team awards will be presented following the final competition, March 4, 2017.

The awards dinner cost is included in your team entry. Please notify the office by **Feb 22nd** (683-5842 ext. 13). Guests will be allowed by reservation (fee \$30.00).

PLEASE NOTE: All racers will be assigned a bib for the duration of the league. (No deposit will be collected.) **No racer will be allowed in the start gates without proper bib. This rule will be strictly enforced, do NOT come to race start without your bib on.** We hope to make the order go quicker for all the racers. Please let your members know BEFORE the first night. We will run racers by number. They must be in place to get a time!

COST: **\$490** is the cost for each **team** entered before January 1st, **regardless of number in team**, or fees may be paid per person at **\$70** each. We will submit all race results to NASTAR and your individual and Team results will be scored and posted to its Web site each week. As in the past, we hope to make this series a fun and exciting event. Please call Toggenburg with any questions or input.

All participants may ski Wednesdays before race series starts.
