Join Young Center Founder and Executive Director Maria Woltjen for a cocktail reception featuring Grammy-nominated Sones de México and Meghna Indurti, the host of “Bordering on Hilarious,” a comedy showcase.

The Young Center's annual Chicago fundraising event supports our mission of championing the rights and best interests of unaccompanied and separated children, making sure that wherever they land, they are safe. These children are fleeing abuse, violence, and persecution. They arrive at our border and are swept up into an immigration system where children, including toddlers, are treated as adults. That’s where we come in. Young Center's attorneys and social workers, along with bilingual volunteers, are appointed as Child Advocates and make sure that immigration officials see these children as children. They need allies to make sure their voices are heard. Your support makes that possible.

Join us and more than 200 of our dedicated supporters as we celebrate the resilience of immigrant children and raise funds to support their safety.
