As our organization makes efforts to move towards a more equitable society, we have shifted how we credit our Individual and Corporate Donors and Volunteers. All supporters are listed alphabetically below, and traditional giving levels have been removed from our Donor List. We feel that this is an important step that reflects our values, because every donation (of time, money or in-kind support, at any amount) is important to Wide Angle. In addition to the donors listed by name, we recognize and acknowledge those who make contributions through workplace giving campaigns, AmazonSmile, or other special campaigns. We may not know your names, but we are humbled by your generosity.
