FEATURE DISHES

BÚN CHẢ HÀ NỘI / HANOI STYLE VERMICELLI NOODLE SALAD WITH CHARGRILLED FATTY PORK (CHẢ) AND PORK BELLY

It's a fact that Northern Style Vietnamese food doesn't get much attention. It is rare to find this dish as many establishments in Brisbane cook in the Southern Vietnamese style (including myself) which is a shame because this is one of the most popular dishes to come from Hanoi which you've probably never heard of.

This dish became even more popular after former president Obama's visit to Vietnam where he enjoyed Bun Cha at a local street stall.

For those who enjoy the Southern Vietnamese noodle salad, this dish provides a refreshing change with the main difference being the fish sauce is less intense and seasoned differently. Noodles and salad are served separately and you are meant to dip these into the fish sauce and enjoy.

ALLERGEN information

No soup on this menu contains gluten. As a general rule Vietnamese soups never contain gluten.

All soups, however, contain fish sauce (except those marked Vegan). Soups are pre-seasoned with fish sauce and unfortunately this cannot be modified.

All noodles are gluten free except egg noodles

Omissions and other requests (including my favourite **no coriander slash onion**) please clearly communicate this with your wait staff when ordering. We will try our best to accommodate all requests.
