

Central Virginia CONTINUUM OF CARE

Member Agency Agreement

April 2020 - March 2023

The mission of the Central Virginia CoC is to ensure that homelessness is rare, brief and nonrecurring. The vision of the Central Virginia CoC is for all persons and families experiencing homelessness in the City of Lynchburg and the Counties of Amherst, Appomattox, Bedford, and Campbell to have a permanent, safe, decent, and affordable place to call home by the year 2024.

The Central Virginia CoC is a membership organization, whose members include individuals and entities interested in developing and coordinating homeless assistance programs or otherwise supporting the mission and purposes of the CoC. **Only Members in good standing shall have the right to vote on matters impacting the organization or to apply for funding through the CoC.** Members must act in the best interest of the organization and avoid situations where personal interests or relationships interfere with acting in good faith on behalf of the CoC. Conflicts of interest, even a perceived conflict of interest, must be disclosed to the Board and avoided. The awareness of possible conflicts of interest should be particularly heightened regarding all decisions with respect to funding, awarding contracts, and implementing corrective actions as a result from CoC Collaborative Applicant monitoring activities of the CoC.

The additional rights, duties, and qualifications of Members, including the establishment of any classes or categories of nonvoting Members, are set forth in the Central Virginia CoC Policies and Procedures.

In order for an individual or agency to be a member in good standing of the CoC, the following criteria must be met:
