

**Albany High School**  
**Request for Exception to Community College Enrollment Policy**

Date \_\_\_\_\_

Last Name \_\_\_\_\_ First Name \_\_\_\_\_ Current Grade Level \_\_\_\_\_

AHS Policy: Students will not be allowed to take courses at the community college level if such courses are offered at Albany High School.

Rationale for Policy: Courses at the community colleges are generally not aligned with State Content standards and the AHS Expected Schoolwide Learning Results (ESLRs). They typically lack the breadth and depth of courses offered at Albany High School. Therefore, such courses cannot be used to replace AHS courses because they don't prepare a student for the next level of AHS coursework.

Exceptions: In some very special cases, students may be granted an exception to this rule. Each case will be examined individually.

Please complete this form and return it with your signed concurrent enrollment registration form to your counselor.
