**JUNIOR YEAR COLLEGE CHECKLIST**

**Most important thing: listen to bulletin and check counselor website often****

**First Semester**
- Attend College Night
- Check classes on 4-year plan and modify as needed.
- Make sure your classes are fulfilling A-G requirements.
- Work on grades and seek help from teacher and counselor when needed.
- Attend College Fairs/College visits. (Ask Career Coordinator in counseling office)
- Sign up for PSAT in September.
- Sign up for SAT/ACT combo exam.
- Attend lunch meeting when PSAT scores are distributed. Talk to counselor about tutoring, classes to improve in weak areas.
- Ask about fee waivers for college admission tests.

**Second Semester**

**By February**
- Decide which college admission test you will be taking and register for the ACT with writing or SAT test for the spring.
- Meet with counselor to create 12th grade schedule and make sure it fulfills all A-G requirements.
- Make a decision about which Advanced Placement exam you are going to take.
- Pay attention to when sign-ups for AP exams are due (usually by March).

**By April**
- If you need to take SAT subject test sign up for to be taken in June.
- Speak with Career Coordinator about finding a summer volunteer program, internship or job related to your college major(s) interest.
- Check in with counselor
- If you are going to take a community college course over the summer make sure attend the lunch meeting counselors have to discuss concurrent enrollment.

**By May**
- Take Advanced Placement tests
- Decide if you need to retake SAT/ACT with writing in the Fall.
- Check in with counselor

**Summer**
- Visit at least one CSU, UC and private school.
- Discuss financing your future with your family
- In the summer volunteer, do an internship or work… do an activity you are interested in.
