*The counselor evaluation is an opportunity to let admissions offices know about aspects of your child that they would not be able to glean from school records and their application alone. Your observations highlight a side of students we aren't always able to see, and they make a tremendous difference in the quality of our letters. Please answer the following questions on a separate page to include with your student's packet.*

What do you consider to be the outstanding academic and personal accomplishments of your child during the past three or four years? Why did you select these as most important?

Please describe any significant family events that may have affected your student's performance in high school.

Describe one or two major events that you see as turning points in your child's development.

What do you consider to be his/her outstanding personality traits? Anecdotes or examples are very helpful.

What do you view as your student's most notable strengths and weaknesses? Please describe.
