Lunch Policy

I understand that Persimmon ELA **does not** prepare food and that I must provide nutritious snacks and a lunch for my child.

Per DCF regulations, all children will have an insulated lunch box with an ice pack to keep food safe. All foods, including meat, fruits, and vegetables must be cut into servings no larger than a 1/2 inch square for toddlers/2year olds to be served in care. Children under four years of age will not be served hot dogs, spoonfuls of nut butter, or popcorn while at school.

Lunches must meet nutritional guidelines set by the USDA. We recommend that you use the new “My Plate” as a guide to ensure that your child is eating a healthy and nutritious meal.

My child has the following dietary restrictions or food allergies:

Child's Name: _____

Parent's Signature: _____ Date: _____
