*JOIN US AUGUST 7-11, 2022*

We know that you are ready to get outside and have some fun and so are we. That’s why we are so excited to announce that this summer we are going back to Northbay Adventure in North East, Maryland for Camp Lionheart and RISE Camp. It has been a tough couple years on everyone, especially our kids (ages 8-18).
Summer camp is the perfect opportunity to provide children with a safe environment where they can connect with peers, feel free to play outdoors and just be kids. Summer camp helps develop resiliency by giving children the opportunity to build relationships and feel a sense of belonging. See below for how you can register your child for camp, sign up to be a counselor or chaperone, or make a donation to sponsor a camper’s trip!

Chester Education Foundation x Everybody Eats: Art Exhibit

Students from Chester Education Foundation’s “Chester Change Agents” program are proud to announce the first ever Chester Change Agent Art Show: “Joy”. Using disposable film cameras, a medium very different than they are used to, students captured images that represented moments of Black Joy. We invite you to come see this exhibit on Friday, 6/17/22 from 5-7PM at Vittles (801 Sproul St, Chester, PA 19013). Don’t miss out on a fun night and a chance to celebrate the hard work, creativity, and JOY of the Chester Change Agents!

Small bites and refreshments will be available from Everybody Eats Philly. Also, our friends at Everybody Eats will be keeping their kitchen open during the art show, so we highly encourage you to come hungry!
