Roll Call: Present were: Judy Barger Edgell, Dr. Elaine Brady, Paul Brady, Marcia Chaplin, Pam Kelly, Naomi Levison, Kathryn Peters, Mary Kay Plath, Ellen Schaack, Lisa Thomas, Rosana Troxel, Nancy Turner, Bonnie White, Martha Windley

President Dr. Elaine Brady said that as of July 1st, the clubs/groups, not VFMC, are responsible for insurance for their meetings and performances.

Dr. Brady asked what is the purpose of convention? What has happened before, what is in the present, we need to look to the future. Email the Senior Club Activity Form so we can track what the clubs are doing. We need to share valuable information to better our clubs. Think what is going on and what is important. We have done away with the state evaluation report.

The importance of senior clubs: to promote music, share ideas, what each club does, solutions, need younger teachers involved.

There are all kinds of different communities – different problems, we solve problems in different ways, we could partner musical events, have fundraisers – pancake breakfasts, cabaret nights, silent auctions, shop and restaurant gift cards, bingo.

We can have virtual meetings but we need conventions for social contact.

A synopsis of this meeting will be given at the VFMC meeting on Friday during the Senior Club Presidents report.

Discussions included the value of certificates, scrapbooks, reports and different deadlines. The meeting was adjourned at 2:25 pm.
