Combined Band, Choir, and Orchestra

THANK YOU **so much** for being with us for our 6th Annual Winter Jubilee! We're thrilled with the past success of this concert and are proud to include this event to our long list of achievements!! An event like this is not only a wonderful way for us to share with you the combined talents of our Edina Thespians, Concert Choir, Concert Orchestra and Concert Band but also an opportunity for our students to experience the depth and talent of our entire performing arts program!

While it is no secret that Edina is recognized for its academic excellence and State Championship athletics, it is also home to an award winning performing arts program. Our Music and Theater programs have achieved local, state, national and international accolades and have a reputation for high quality performances as well as a rich and rewarding curriculum. For decades the performing arts in Edina have been a beacon of excellence and continue to grow and earn praise. It is no exaggeration to say that Edina's long tradition of excellence in the arts sets us apart from the rest. This of course is no accident due in part to your amazing support, and the quality of our elementary, middle school and high school classroom offerings. Edina boasts strong and robust elementary classroom music classes, an excellent 5<sup>th</sup> grade band and orchestra program, vital and strong middle school offerings in band, orchestra, choir and theater and a high school performing arts program rich with student interest, involvement and excellence. What you hear and see in this concert is a culmination of years of hard work and dedication beginning at the elementary level, growing through the middle years and coming to full fruition on the concert stage in front of you.

Thank you again for being a part of our Winter Jubilee tradition and for your generous and gracious support of all of our programs. Edina Public Schools is a very special place and offers our students exemplary experiences academically, athletically and as you'll hear with this concert- the performing arts! Thank you for being a part of that and for joining us.

Happy Holidays to all of you, from all of us!

## **CHOIR**

More than 500 students sing in the Edina High School Choral program, a department comprised of six curricular choirs meeting during the day, four extra-curricular ensembles providing students an additional singing opportunity outside the school day, and an early-morning, weekly Men's Chorus open to all male singers in the high school and local community. The curricular choirs include 9th Grade SSA (soprano/alto), 9th Grade TTB (tenor/bass), Varsity SSA (soprano/alto, grades 10-12), Varsity TTB (tenor/bass, grades 10-12), Bel Canto (advanced soprano/alto, grades 10-12), and Concert Choir (advanced mixed chorus, grades 11-12). A close partnership between middle and high school programs ensures the development of comprehensive, lifelong musical skills for all singers.

## **BAND**

The Edina High School band program consists of more than 500 students in grades 9, 10, 11, and 12. There are three high school concert bands: a concert band, two sections of varsity band, one section of a symphonic band, two sections of 10th grade bands, and four sections of 9th grade band. The 10-12 graders form the Edina "Hornet" Marching Band in the fall. There are 5 extra-curricular jazz bands, two pep bands, and numerous excellent chamber ensembles. Auditions are held annually for placement in all the high school bands. Musical ability and grade level, along with a strong desire to achieve excellent musical results, are the primary factors in determining placement in bands.

## **ORCHESTRA**

The Edina High School Orchestra Program consists of four orchestras across grades 9-12. The curricular ensembles include two sections of 9th grade Repertory Orchestra, Sinfonia Orchestra, Varsity Orchestra and Concert Orchestra. Select students from the EHS Concert Band team up with the Concert Orchestra once a week to dive into symphonic works for full orchestra. Auditions are held at the end of each year for our Varsity and Concert Orchestra. Two extra curricular audition based chamber orchestras meet outside of the school day for grades 9-10 & 11-12.

## **THEATER**

The Edina High School Thespians are an award-winning high school theater program committed to excellence in the theater arts. At its core, we are a group of educators, students, parents, alumni, and community members who believe in the power of the theater arts to change and improve the lives of young people. We believe in helping ALL adolescents to find their voice and we believe in helping our community to tell their multiple and diverse stories. Our theater department offers several classes for academic credit including: Literature of the Theater, Introduction to Dance, Theater Production, and our nationally recognized course Theater for All which pairs students from our Special Education program with typical peers in order to produce a musical which puts them center stage. Our extra-curricular mainstage shows feature the combined efforts of our theater, choir, band, and orchestra departments.
