

Muriel Connors Award

Value of the Award for September 2023 will be a minimum of \$3,000

Muriel died in August of 2020. To honour their mother and grandmother, the family decided to create this annual award, with hopes of fostering young talent that may be overlooked by other scholarships. Muriel Connors' heart would go out to someone who maybe did not have the natural gifts or talents of the front-runners, but would work harder than anyone else just to keep-up.

Background: Muriel Connors was an amazing lady and loved by all who knew her. She was a school teacher, principal, bookkeeper, mother, grandmother, great grandmother and a friend to anyone who met her.

Muriel grew up in Shediac Cape, New Brunswick and spent the remainder of her life on Brookdale Farm (Scoudouc Road, NB), with her loving husband (Joe) and their six children. Muriel was a strong supporter of curiosity, reading, education, cooking, and most importantly - spending time with people.

Muriel was a pillar in the community and involved in many activities. She served her church (*St. Martin's in the Woods Anglican Church*) by volunteering on many church committees, being a member of ACW and the *Ladies Guild*, and reading at the early service every Sunday morning. She had years of volunteering with *Girl Guides of Canada*, *Girls' Auxiliary*, *Hospice*, *School Breakfast Programs* and the *Canadian Cancer Society*, and she was a member of several community groups.
