The History & Heroes Foundation Board - made up of citizens from across Alberta - is dedicated to honouring the legacy of the Mitchells and to supporting Alberta students, teachers and the public in advancing the mission of the Foundation.

The Foundation is a not for profit corporation with Canada Revenue Agency approved charitable status. All Board members are volunteers with limited reimbursement of actual expenses. The Foundation will have no permanent staff or office accommodation.

The goal of the History & Heroes Foundation is to provide Albertan with a heightened awareness of the history and heritage of our province and nation.

The Foundation will create a permanent endowment which will be independently administered by the highly experienced and professional Edmonton Community Foundation (ECF). ECF will handle all aspects of the finances of the endowment: accepting donations, receipting, fund management, reporting and government filings. To support and meet its objectives, The Foundation will develop initiatives and programs with partners in education and community service. The Foundation will use annual disbursements from the ECF to fund these initiatives and programs.

The Foundation is governed by a respected and diverse group of Alberta citizens. Foundation committees will include governance, fund development, program development and audit and finance.
