SEVENTH ANNUAL
SANTA BARBARA WILD!
A BENEFIT FOR LOS PADRES FORESTWATCH

NOVEMBER 10, 2021
Hybrid Event Experience

INDIVIDUAL SPONSORSHIP
Ever since a small group of local forest advocates gathered around a picnic table in 2004, ForestWatch has served as a powerful advocate for our region’s wildlife habitats and wilderness landscapes. With thousands of supporters, ForestWatch is leading the charge to protect and restore the forests, chaparral, grasslands, rivers, wildlife, and wilderness along California’s Central Coast.

Los Padres ForestWatch’s primary focus is on protecting our region’s public lands, from the famed Big Sur coastline, to San Luis Obispo’s Santa Lucia Range and the Carrizo Plain National Monument, to the rugged backcountry of Santa Barbara and Ventura counties. By effectively combining legal advocacy, scientific collaboration, and community outreach with innovative strategy and field work, we have built a solid track record of protecting these wild places—more than two million acres of them.

In addition, more than two thousand ForestWatch volunteers have helped us restore degraded wildlife habitat throughout the forest, and we have introduced hundreds of underserved youth and their families to the outdoors, fostering an appreciation of nature and developing the next generation of forest stewards. Whether you care about wild forests, free-flowing rivers, untrammeled chaparral, or the creatures that inhabit these beautiful places, ForestWatch will continue to ensure that they have a voice.

What sets us apart:

Our bottom line is simple—every action we take must result in direct, on-the-ground protection for our public lands and communities. We focus our work where it counts.
ABOUT SANTA BARBARA WILD!
A BENEFIT FOR LOS PADRES FORESTWATCH

Santa Barbara WILD! is one of the premiere benefit events supporting land and wildlife conservation in Santa Barbara County. Join us as we continue this tradition with this year’s HYBRID event, that allows our community to either join us from the comfort of their own homes or in-person with us- coming together to raise critical funds to protect the Los Padres National Forest.

These are challenging times. It’s more important than ever for us all to “come together” amongst friends and neighbors under a common cause. This year’s virtual event will feature a silent auction packed with unique items, an engaging speaker line-up, musical guests and an exciting live auction, all in support of public lands and open space. We want you to be a part of it!
