

## **Reception Prize Drawings - Exhibitors**

All attendees will receive 30 name cards in their registration packet. These cards will have their name and company on them. Attendees will place these cards into the receptacles at each vendor they visit. This is how Vendor Prizes will be drawn.

Each vendor that has a prize will pick the winning card from their receptacle towards the end of the reception. A committee member (Mindy or Melissa) will come to each vendor and collect the winning card. Please put your company name and booth number on the back so the winner can come claim their prize.

Vendor prize winners and Grand prize drawing will be held towards the end of reception.
