~ *Horse Health Requirements* ~

All horses must have flu and rhino shots within the last six (6) months and no later than 7 days prior to the sale. This must be included on your health papers signed by your vet. Each horse must have a negative coggins test within six (6) months of the sale and an interstate health paper within 30 days of the sale. NOTE: Canadian horses must have International Health papers for transport between countries. Any questions on this should be directed to your vet or visit the following web site: www.aphis.USDA.gov/vs.

All mares sold vet checked in foal, if questionable, must be checked at the buyer's expense before leaving the fairgrounds. If found not to be in foal it will be at the seller's expense. All mares not vet checked in foal will be assumed to be open.

~ *Check In* ~

No horses will be allowed on the grounds without proper health papers. Horses arriving must be taken directly to the check-in office to have their paperwork processed. Sale numbers will be assigned and horses can be stalled. Be sure to send your health papers with your trucker if you plan to send the horses ahead of yourself.

~ *Hay, Bedding and Feed* ~

All consignors are responsible for their own feed and hay. First bedding will be provided.

~ *Registrations* ~

If the horse is registered we will send the papers to the new owner. Catalog number of the horse is the sale number. **Buyers: All sales are final.** The seller of the horse guarantees the identity of each animal as it appears on the registration certificate. Title passes at the fall of the auctioneer's hammer at which time all risks and responsibility for the horse passes to the buyer.

~ *Terms* ~

All consignments must have a new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. No horse will be allowed to leave the grounds without a checkout slip indicating full payment. All horses must be removed from the barns by 6 pm Saturday evening, the last day of the sale unless other arrangements are made with the sale committee. All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility.

The sale committee of the Michiana Driving Horse Sale, LLC reserves the right to reject any horses for any reason including, but not limited to: unsoundness, poor condition, and improper documentation of registration or health papers.

~ Warranties ~

Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids as all sales will be final. In case typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefor cautioned to pay attention to the auctioneer announcements.

~ Buyer's Payment ~

Buyer shall pay for the horse(s) prior to the conclusion of the sale by one of the following means: cash, approved personal check, money order, cashier's check or traveler's check. U.S. funds only. Checks are to be made payable to Michiana Driving Horse Sale, LLC. A \$75 service charge on all bad checks (NSF, Stop Payment, etc.).

~ Guarantees ~

No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree readers, bid spotters, or anyone associated with the Michiana Driving Horse Sale, LLC, as to title, quality, unsoundness or soundness of any consignments. Presentations given in writing by the consignor to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentation, guarantees, or omissions, shall be made against the consignor only and not the sale committee or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at the sale.

THANKS TO THE
CONSIGNORS, THE
BUYERS, AND THE
BIDDERS FOR MAKING
THIS SALE A SUCCESS!

Known as "Hank" He's a very unique stallion that has always given 110% of himself to whatever he does. All in one package, he's the perfect addition to your breeding program- crossbred/purebred. His way of going is 100% natural, can't beat a Great Farrier! Just everyday drilltec shoes he will still move like this when you get him home, no pads or wedges. He passes it on to his offspring. Excellent manners, great personality which passes on to his offspring. Hank is 100% TSS, stands at stop signs. Been to church, easy to control around other horses. Quick to breed but not overly aggressive. Easy to shoe, clip & bath. Most women could drive him. He stays super calm in his stall & an easy keeper.
