Founded in 1980 as Pan Lutheran Ministries by individuals from local Lutheran churches in response to a concern for families in crisis, today, Families Together is the largest nonprofit in Wake County solely dedicated to ending family homelessness.

We believe every family deserves a home and children should never have to wonder where they’re going to sleep at night.

Every year, we provide the critical link to home for hundreds of homeless families with children in our community. Ultimately, our goal is to break the cycle of homelessness, support family cohesion, and improve the health and well-being of children and their parents.
Your support of Families Together makes a real and profound difference in our community by:

**PUTTING CHILDREN FIRST**
- **432 CHILDREN** Received our specialized support to help them through the crisis of homelessness and build their self-esteem.

**KEEPING FAMILIES TOGETHER**
- **18 FAMILIES** Stayed in our short-term housing to prevent separation and build family resiliency.

**MOVING HOME**
- **80 FAMILIES WITH CHILDREN** Moved to permanent housing and signed leases in their own names.

**EMPOWERING SELF-SUFFICIENCY**
- **216 FAMILIES WITH CHILDREN** Received the ongoing support of a Mentor Advocate and access to life skills and financial literacy training to set them up for long-term housing success.

**ENSURING LONG-TERM FAMILY SUCCESS**
- **50%** housed within 60 days of enrollment
- **80%** enrollees moved to permanent housing
- **84%** Families graduated or achieved housing success
We could not accomplish our mission to move families from homelessness to home without you!

Thank You for 40 years of Community Compassion and Life-Changing Impact.
