

Loan Application Form

Thank you for your interest in applying for a Refugee Access Loan

RefuAid lends up to £10,000 to help resettled refugees pay for courses, training, exams or other costs associated with obtaining the licensing or training they require to work in their professional field in the United Kingdom.

By completing this application form and submitting it along with the items listed on the checklist, we will have much of the information we require to consider your request for a loan. Loan staff will be happy to answer any questions.

After you have completed and submitted your application and checklist documents, you will meet with a loan facilitator to discuss your application. If there is no RefuAid facilitator near you, your meeting will be by Skype or by phone. During your conversation with the loan facilitator, he or she will gather additional information that will help the Loan Review Team assess your application.

Please visit www.refuaid.org/loanscheme for more information
