What is Constitutional Amendment #1?

Constitutional Amendment #1 extends a property tax exemption on goods stored in Louisiana warehouses for maintenance or positioning but ultimately destined for use in the Outer Continental Shelf (OCS). The amendment is designed to provide clarification on an ambiguous portion of the Louisiana tax code and prevent new taxes.

Voting YES on Constitutional Amendment #1 will...

1. Keep Louisiana’s economy competitive
2. Protect thousands of good paying jobs for Louisianans
3. Promote the production of affordable, clean and reliable energy for households across the nation
4. Ensure that Louisiana’s oil and natural gas production continues to generate billions in revenues for the state’s infrastructure, schools, and conservation programs
