ACADEMY EXPERIENCES

LEADERSHIP EVENTS

Youth Alive provides some of the best leadership development and training. Students are invited to be up close and personal through hands - on experiences at these events. These are held at regional, state and national levels.

LARGE SCALE OUTREACH

Youth Alive is the largest youth movement in the country, so it is an incredible experience for students to be involved at grass roots level. During the year you will be behind the scenes in all Youth Alive gatherings and events. As much as possible, we allow students to be involved in areas that interest them.

ACADEMY INTENSIVE

Every year, all of our Academy students from around the country come together for a Spiritual Intensive. Held in the beautiful, relaxing backdrop of the Gold Coast, this has become one of the most memorable and favourite activities of past YA Academy Students. Not only is it an opportunity to make friends with other students around the country and have a stack of fun, but memorable moments are made as we encounter God in a powerful way together.

MISSIONS
