WORDSMITH FOR HIRE

I am an award-winning writer and editor with nearly 20 years of experience writing, editing, managing editorial projects, proofreading and fact checking. I've worked for several publications as well as in corporate communications in both the print and digital space.

For the last eight years, I have worked as a freelance writer and editor, honing my ability to take initiative and act decisively while juggling multiple clients. During this time, I've been published in several magazines and newspapers, and I've also worked with creative and public relations agencies to develop blog content, fact sheets, catalogs and marketing copy.

I always meet deadlines, and I work well with interview contacts. I am known for working quickly and efficiently. I would love the opportunity to discuss your upcoming project.
