2018 RESIDENCY EXCHANGE – application deadline January 31st, 2018
between Cleveland, Ohio & Dundee, Scotland

Cleveland Print Room is now accepting applications for our six week residency exchange program, AIR connect, Spring 2018. The qualified artist should be an emerging or established artist with a focus in photography or a combined focus using photography with other media such as printmaking or painting. The Ohio artist will reside in Dundee, Scotland and the Scottish artist will reside in Cleveland, Ohio. The work will focus on a special project in CPR's Northeast Ohio community darkroom and gallery or at Dundee Contemporary Arts in Scotland.

The Ohio artist will create work at DCA's Print Studio. In exchange, the resident artist & DCA will arrange a plan for the artist to exhibit locally and/or edition work on-site at their Print Studio. The artist will receive airfare, free housing, and full access to the DCA Print Studio throughout the six weeks.

The Scottish artist will receive free housing in Cleveland, Ohio, near the Cleveland Print Room, as well as airfare and full access to CPR's facilities. In exchange, AIRs will engage the community.

This exchange program between Cleveland and Dundee is geared towards providing studio space to emerging and established artists, and encourages understanding across cultures, creating ties between US artists and communities and their counterparts abroad.
