No. 2
Whitehorse/Studholmes Bush Link Track

Area: Hunters Hills from Whitehorse Monument linking to Bellbird Track.

Time: 40 minutes return

Level of Fitness: Moderate
The link track traverses along the top of the hills and is relatively flat.

Start: At the car park at the Whitehorse Monument. The track begins as signposted on the right veering to the direction of the Waimate Gorge. The track crosses over a strip of farmland, through a small pine forest and over open hilltop scrub and grasslands to finish where it links up with the Bellbird Track on the Studholmes Bush Walkway. Walkers may choose to extend their journey by spending some time exploring the Studholmes Bush Walkway, the Whitehorse Walkway, or both. (Refer to Maps No. 1 and No.3)

Features:
- Landscape: The walker is rewarded with some magnificent views (eastward) of the Pacific Ocean overlooking Waimate township and district farmlands. Views northward towards Timaru district and inland mountains can be spectacular on a clear day.
- Vegetation: Native bush can be viewed down the hillside.
- Wildlife: Bellbirds, fantails, sometimes tuis and, if you are lucky, woodpigeons can be heard or sighted. Wallabies in evening and early morning.
- Please SHUT GATES and don't any disturb stock.
