

Job Posting: Greenhouse and Nursery Crew

Allandale Farm is a vegetable farm and plant nursery on the border of Jamaica Plain and Brookline. We operate a seasonal farmstand and garden center on the farm with a vibrant, caring, hard-working team of employees. This role is full time, March through June, with overtime in peak season. Reduced hours possible for the right candidate. Candidates must be available to work the entire production season with flexibility to work one weekend day.

Responsibilities include:

- Plant production for Garden Center in our greenhouses and outdoor perennial nursery
- Growing a wide array of plants utilizing organic, sustainable, conscientious methods
- Efficient transfer of finished/flowering plants from production to retail, ensuring product is at our highest standards.
- Maintaining cleanliness of greenhouse and nursery infrastructure, including weeding, sweeping, sanitation.
- Reports to Greenhouse and Nursery Manager

Qualifications include:

- Greenhouse experience preferred, but not absolutely necessary
- Experience in and excitement for growing and propagating plants
- Keen observation skills and ability to identify pests/disease/weeds
- Able to comfortably lift 50 lbs and work in all types of weather
- Thrives in a fast paced environment and shifting daily routines
- Ability to execute tedious tasks with sustained attention to detail
- Organized and careful attention given to the proper care of tools and equipment
- Dependable and punctual with a spirit of dedication and enthusiasm
- COVID-19 vaccinations and booster required for employment

Compensation:

- \$16-\$19 per hour; commensurate with experience
- 25% employee discount in Farmstand and Garden Center
- Sustainable Transportation benefit
