

A WEEK OF PRAYER FOR THE SICK & GRIEVING

THANK YOU SO MUCH for joining us in praying for the sick and grieving this week. We'll look past statistics and focus on the real people who are sick and suffering, as well as those lives that have been lost and the loved ones they leave behind. Let's pray together for healing and peace this week.

01

Pray for those who are being treated for COVID-19 in hospitals across the globe. Pray against a spirit of fear as many patients are alone and isolated from their loved ones.

02

Pray for the thousands who are recovering at home from the coronavirus and trying so hard to isolate themselves from their families so they can protect them from contracting the virus. Pray that their families will be protected and that they will recover without complications.

03

Pray for those suffering from illnesses unrelated to the coronavirus. Pray that they will get the attention they need in this time when medical personnel are stretched so thin.

04

Pray for the elderly who are dealing with coronavirus outbreaks in nursing homes and assisted living communities. Pray that they will find comfort in this time when they are not able to see their friends and families.

05

Pray for those grieving the loss of loved ones from this terrible sickness. Pray for peace in their hearts as they are forced to postpone funerals and memorial services.

06

Praise God for the thousands of people who have recovered from the coronavirus! Pray that they will continue to gain strength and their bodies will continue to heal.

07

Pray by name for those who are sick or grieving in your own life right now. Pray for healing, peace and comfort.

So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.

-ISAIAH 41:10, NIV
