New York, NY (June 12, 2020) – The Society of Publication Designers (SPD) announced the winners of the 55th Annual Design Competition earlier today with a virtual awards presentation. The 55th Annual SPD Awards Presentation was a celebration of excellence in editorial design, photography, and illustration in print and digital platforms, as only the best work from 2019 was presented from the thousands of submissions entered into this year’s competition.

The finalists and medal winners were showcased with a series of video episodes posted on our website.
