WHAT MAKES US UNIQUE?

Mibe's expertise extends beyond makeup and hairdo. It includes a deep understanding of flowers which completes the unique style of Mibe's makeup and hairstyling. Which is why Mibe is not just a makeup & hair artist, but is a hair florist as well.

Aiming to accentuate the innate beauty of the bride, Mibe's go-to look for bridal hair and makeup is the alluring Japanese style. The natural and rustic waves of a Japanese hairstyle looks trendy but not over the top, allowing focus on the bride's facial features. Mibe then ensures that the bride's best features are highlighted using natural makeup.
