# A letter from the **Executive Director.**

## TO OUR DEAR SUPPORTERS, AUDIENCES, ARTISTS, VOLUNTEERS, AND COMMUNITY...

2022 was a wonderful bounce back year of growth for Servant Stage. After persisting through setbacks and challenges over the past few years of the pandemic, we celebrated our 10th anniversary season with a record-setting year!

It was wonderful to see audiences (new and old!) returning to the theatre in greater numbers, and to be able to bring our touring performances back into local retirement homes and more schools than ever before. Our youth theatre programs continued their momentum, with record numbers of students participating in our camp productions, youth companies, and weekly classes!

I am so thankful for all of the shared experiences we have enjoyed together in 2022 and over these past 10 years, for each success and each lesson learned along the way! It is a joy to serve this wonderful community together!

Our goal has always been to have something for everyone in our community each season, and we hope that we had something to inspire, educate, challenge, and entertain our diverse audiences in 2022! Our mainstage season opened with *Songs For A New World*, featuring a small powerhouse cast of dynamic performers and musicians. This modern musical was a moving collection of songs, examining the choices we make and their consequences. This was followed by *Newsies*, a fun and inspirational story showcasing the talents of a large and energetic cast. We toured across Lancaster County throughout the summer with *Rock Around The Clock* bringing back memories from the greatest hits of the 50s and 60s and introducing a new generation to old-time rock'n'roll. In the fall, we brought our most ambitious production yet to Lancaster, the powerful Broadway musical *Ragtime*, a truly unique and powerful portrait of America. We closed out the year with our original adaptation of Dickens' *A Christmas Carol*, creatively sharing this classic story at 20 different venues across Lancaster County.

Our youth theatre programs saw record growth and attendance in 2022! Our goal has been to be able to offer opportunities year-round for students of all ages. We opened the year with two youth productions, both a contemporary musical (*Matilda Jr*) and a classic play (*Our Town*) for students ages 8-19. With our mission to make the arts accessible to everyone, we offered pay-what-you-will theatre classes every Monday night from February to November! Nearly 400 students of all ages attended these classes, studying acting, dancing, singing, stagecraft, and a wide variety of theatre-related classes. Another 40 students were selected to be part of our Youth Companies, for students considering pursuing theatre beyond high school. 150 students took part in our summer camp productions of *Frozen Jr*, *Annie Jr*, and *Lion King Jr*. At both the beginning and the end of 2022 we were able to share educational performances of *Lift Ev'ry Voice* and *A Christmas Carol* with more than a dozen schools across Lancaster County.

For all of this, we say "Thank you!" As the only Pay-What-You-Will theatre in the region, none of what we do is possible without you! So thank you for spreading the word to your friends and families! Thank you for supporting Servant Stage with your generosity and friendship, and thank you for allowing us to continue to grow and expand our impact on the community! Thank you for playing your role with Servant Stage!

With a small powerhouse cast of dynamic performers and musicians and a driving, exquisitely-crafted score that runs the gamut of today's popular music, *Songs for a New World* is a moving collection of powerful songs that examine life, love and the choices that we make.

*"Great show"*

Fantastic voices and musicians!"

[Songs For A New World] is one more example of Servant Stage's philosophy paying off. Pay-what-you-will theatre can be completely professional as well as affordable, and can reach and hold audiences who want quality productions. Servant Stage also proves every season that "family friendly" never has to have a lowering of theatrical standards or be aimed specifically to children. In a day when dinner and a movie costs a small fortune, it's a privilege to be able to afford to take your family to professional live theatre and still be able to pay the bills.

"Loved every minute of it, thank you Servant Stage for bringing *a Broadway experience* to Lancaster County!"

Set at the turn of the 20th century when workers were often exploited by "captains of industry," *Newsies* tells the true story of a team of newsboys who form a union to fight the greediness of New York's major newspapers. With a cast of more than forty performers - including twenty-five teenaged boys as the title characters - and a live pit orchestra, this high-energy, Tony Award-winning phenomenon wowed audiences for three weekends at Lancaster Bible College.

*This show was SO good!! It's perfectly cast and the performance was flawless as far as I could tell! The acting, the music, the dancing, the singing, the message of the show... it was all so wonderful and I thoroughly enjoyed it!! I'm so grateful to have gotten to see this fantastic show with its incredibly talented cast! Thank you to everyone who was a part of it!*

Paying tribute to the greatest hits of 50s and 60s Old-Time Rock 'n' Roll, *Rock Around The Clock* was an original revue show featuring a live rock band, the iconic dances of days gone by, wailing vocals that brought down the house, and a high-energy teen dance ensemble.

*Went to see this tonight what a great show. Took my 9 year old granddaughter. She loved it. Fantastic show!! She begged me as soon as it was over to come to more. Told her we will. Thanks for all of you who serve your community. GOD BLESS.*

We're so very grateful for the community that is Servant Stage. It truly "takes a village" to bring a Servant Stage show from concept to stage so that over 40,000 audience members may enjoy performances.

As we begin our 11th season of pay-what-you-will-shows, we wanted to make you aware of some larger needs we have for this year. Currently, our staff members (and sometimes cast, crew and kind volunteers) use their own vehicles to transport costumes, sets and audio equipment to venues across Lancaster County. To properly (and safely!) transport these items, we're in need of a company van. We'd love to be able to place sponsor names on the van to let the county know of your generosity. We estimate the cost of this van to be \$30,000 - \$40,000.

Additionally, our audio equipment is in need of quite an upgrade to ensure we present quality shows that all can understand and enjoy. We anticipate the audio equipment to cost \$25,000 - \$30,000.

Would you consider sponsoring either one of these projects?

My first experience with Servant Stage was a camp my son attended. I was amazed at the quality of production achieved in just one week. More importantly to me, the caring and encouraging atmosphere created by staff and counselors impressed me. From there, we started attending main stage shows. Everyone we encountered was friendly and welcoming. I wanted to be a part of spreading the joy I had received. I love being a part of the Servant Stage family. I am delighted to have the opportunity to introduce new people, and welcome back regulars, to the high quality entertainment of Servant Stage wrapped in joy and light.

"I don't think people realize how lucky we are to have SSC in our area... Between the amount of Broadway level talent on stage to the mission of providing quality theatre to everyone regardless of their ability to pay still blows my mind! So thankful for the opportunity that Servant Stage has provided my son and our family... SSC provides such a great opportunity for young performers to really learn and grow in their craft. Probably my favorite part of Servant Stage is the caring and nurturing people who not only volunteer for the shows, but the entire cast, stage managers, and directors are dedicated and professional in every way! It really is a family atmosphere where people genuinely care about one another and believe in the Servant Stage mission.

# THE HISTORY OF *Servant Stage*

The 2015 season included our first Broadway musical, as well as the original production of our recurring audience favorite, *A Christmas Carol*.

2015

2016 saw the inception of Servant Stage's Youth Theatre program with our first summer camp, *Godspell Jr!*

2016

2017 brought five mainstage shows and the addition of a second summer theatre camp. With audience favorites like *The Civil War* and *Around the World in 80 Days*, attendance grew by 72%.

2017

2018

Our Youth Theatre season expanded further in 2018, adding a third summer camp and an all-teen mainstage revue, *Jukebox Saturday Night!* This season also featured the record-breaking productions *Titanic* (largest cast & orchestra) and *I'll Fly Away* (largest attended show to date)

We experienced significant growth in 2019. Our staff expanded to five full-time and three part-time team members and once again broke records in nearly every category, including audience attendance, number of performances, and cast, crew, and volunteers.

# THE HISTORY OF *Servant Stage*

2020

Despite significant challenges due to COVID-19, Servant Stage saw continued growth in our youth education programs with the introduction of our Teen & Apprentice Companies and a massive leap in our online audience and engagement through our *Living Room Concert Series*.

2021 brought revivals of several audience-favorite productions, as well as our first ever staged reading of a new musical! We also established a home base at Lancaster County Christian School, providing a hub for our offices, classes, and rehearsals!

2021

2022

Our first year fully returning to in-person performances brought new additions to our educational offering, including two youth winter productions, weekly drop-in classes, and a touring educational production to schools, as well as several new full-time team members!

2023 will mark the beginning of another first with our Sunday Night Cabaret Series, as well as the mounting of our most requested show ever, *The Sound Of Music*, and the return of the record-holding (highest attended) original revue, *I'll Fly Away*!
