Dust off your irons and join us for a day on the fairway!

Summer is the perfect time to support the Irish Diaspora Center's (IDC) mission to strengthen our heritage and provide immigration, consular, and community-building social services for the Irish Diaspora in the Philadelphia area.

Coming out of COVID has been a breath of fresh air; however, the pandemic has shone a light on the number of people in our community in need of services. Your support over the past years has made it possible for the IDC to make a huge impact - serving more than 4,000 over the past two years.
