

**The following are campaigns that have
been submitted to TSO and been
awarded the Memorial Scholarship:**

Created a video that tells the story of the heart recipient and her donor. This video has been used successfully in school presentations.

Participated in state legislative activities resulting in the passage of new state laws to increase organ donor registration.

Organized an organ donor registration drive at a school district teachers meeting.

Participated in public speaking engagements and walk-a-thons for organ donation.

Created a high school education project with pamphlets, poster boards, social media, and peer education sessions to increase awareness of the need for organ donation and registration.

If you have any questions about the scholarship and the process, please contact us at email4tso@gmail.com.
