Re: Withdrawal of 2019 Proposal: Report on Diversity and Inclusion

Dear Mr. Liu

As You Sow appreciates the constructive dialogue we had with Western Digital yesterday. Based your assurances that you will include SASB-based metrics that we discussed in the Diversity and Inclusion section of your upcoming Sustainability Report, we feel that it satisfies the requests that we made in the shareholder resolution. We therefore are withdrawing the resolution.

We reserve the right to refile the resolution in subsequent years in the event that the final sustainability report materially differs from the assurance that have been made. We also reserve the right to post this withdrawal letter on our website.

This agreement will become effective on the date the last party below executes this agreement.
