

dancED Summer Programming FAQ's

Do you have any questions about our summer programs? We may have the answers below!

What are students expected to bring each day?

- Their own lunch and snacks
- Sunscreen, hat, and bug repellent
- Water and other drinks
- Extra sweater or t-shirt, etc... (in case of dirt or water)
- Various miscellaneous materials as may be requested by the student's counsellor (we will provide a detailed note to go home with the students identifying these items if/when they are needed)

How can I register?

Step 1: Click on the "Registration Form" button under "Summer Programs"

Step 2: You may then proceed to the payment step by clicking on the "Payment" button. Once you've added the selected sessions to your cart, click on the shopping cart in the top right corner of the site to finalize payment.

We accept payment by credit card (done via our website) or e-transfer (sent to info@danced-mp.com).

How much dance experience is required to attend a dancED Summer Program?

Students can have years of experience or none at all! If they are interested in dance and performance, our programming is designed to tap into and enhance skills that already exist in every participant. Students are encouraged to ask questions and everyone will be challenged in a way that's enriching and fun. Each student will be given the opportunity to shine in their own unique way.

Can I change sessions after I have registered?

Absolutely. The registration for each session will remain open up to a week before the start of the session. As long as the session you want to switch into is still open, you

are welcome to change with no additional fees or charges. Email to arrange for a switch in programs.

Can I receive a refund before the session begins?

If you need to cancel your registration, refunds less a \$50.00 cancellation fee will be available until 30 days before the start date. Refunds are not available for any cancellation made after 30 days prior to the start date, of the registration year. Please allow 10 business days to process the refund. During the session, there is no refund for illness, missed days, vacation, withdrawal, or if the student is dismissed by the staff.

Can I receive a refund if my child leaves after the session has begun?

Unfortunately, no. Our staff and costs are based on the number of students registered at the start of the session and we are not able to offer refunds once the session has begun.

What would cause a student to be dismissed?

Any student whose behaviour is deemed inappropriate by the dancED staff will be given one warning, which will include a notification to their guardian. Should the inappropriate behaviour continue following this warning, the student will be dismissed from the session with no refund.

Do your programs operate on weekends?

No. Our programs run during the weekdays, Monday to Friday, 9am-4pm.

Do you offer early and/or after care?

Yes! And it's free! Students can be dropped off between 8-9am, and picked up between 4-5pm.

These are just a few of the questions we've answered frequently, but if we haven't addressed your question above, please feel free to contact us by phone or email and we'll be happy to help!
