The hire charge is required upfront to confirm your booking and is non refundable.

When do I pay the final balance?

The final balance is due two weeks before the event. We must have received cleared funds prior to your date.

Can I adjust the seating numbers once I have booked?

Yes, this is not a problem. You can always amend the number of seats and tables you require after you have booked and in line with your final guest numbers. However, this does have to be finalised two weeks before your event.

Can I have live music?

No, unfortunately live music won't be possible, however we can gladly provide low background music.

What time would an event have to finish?

For events between 12pm-4pm we will require the tipi vacated no later than 4.30pm. For events between 6.30pm-10.30pm we will require the tipi vacated no later than 11pm - when vacating the tipi at this time, please respect our neighbours and leave as quietly as possible.

I still have a question that you've not answered above. What do I do?

Please just give us a call on 01905 640 408 or send an email to info@crownhallow.com. We'd be delighted to help with any of your unanswered questions.

In the lead up to your event, we can share ideas and discuss any changes or amendments you'd like to make. Two weeks before your event, we will contact you to confirm your final requirements and kindly request the outstanding balance.

Things to Discuss:

We love sharing ideas. Here are a few things to discuss in the early stages of your planning. If you could send us some of this information with your initial enquiry, that would be great!

How many people do you want food for?

What time would you like to arrive?

What time would you like your food?

If you are providing any arrival drinks?

If guests will be paying for their own drinks or will they be going onto one tab along with the food?

Which of our menus would you prefer? There's something to suit every taste and budget!
