HOSPITALITY is a “Super-Sector” Representing:

Food Service  Lodging  Tourism
We are:

- Hosts to **24.8 million visitors** in 2017, including 7.8 million overnight visitors

- A **$6.5 billion** total traveler economy including visitor spending, tourism-related construction, and supporting industries.

- A **5.4% growth** rate in 2017 and cumulative growth rate of 23% over the past five years.

- **83,913 employees**, including direct, indirect and induced impact jobs. This equates to one job for every 293 visitors.

- **13.1% of all jobs** in the state (1-in-7.6) are sustained by the travel economy.

- An **employment increase of 4.3%** in total traveler economy from 2015 to 2017. The compares to just 1.9% employment growth for the total Rhode Island economy.

- **$775 million in state and local taxes** generated in 2017. Each household in Rhode Island would need to pay $1,890 in additional taxes in the absence of the visitor economy.
