THE GLOBAL COALITION ON YOUTH MENTAL HEALTH

MENTAL HEALTH INCLUDED IN THE G7 COMMUNIQUE
The Coalition engaged the G7 on several fronts, urging G7 leadership to make youth mental health a priority.

Charlevoix G7 Summit Communiqué
To support growth and equal participation that benefits everyone, and ensure our citizens lead healthy and productive lives, we commit to supporting strong, sustainable health systems that promote access to quality and affordable healthcare and to bringing greater attention to mental health.

ADVOCACY AT WORK

Letter of Support to Political Leaders around the World
59 Coalition members from 12 countries signed a letter of support to 27 world leaders active in the G7, urging them to place mental health on the agenda – a feat of global collective advocacy.

YMentalHealth? Our Future Depends on It
On the eve of the Y7 Summit, the Coalition convened youth mental health advocates, Y7 delegates, government representatives, and policymakers, including MP Majid Jowhari and Leader of the Canadian Government, Bardish Chagger, to advance the conversation around youth mental health. Coalition members joined from around the globe, with 1,350+ participants joining in-person and livestream.

PROGRESS AT THE GLOBAL MINISTERIAL MENTAL HEALTH SUMMIT
Health ministers from Canada, the UK, and Australia collaborated to create the first Global Ministerial Mental Health Summit, bringing together the world’s leaders, innovators, policy makers, & civil society to make effective change for mental health.
