24-HOUR CRISIS LINE
(801)467-7273
Advocates provide 24-hour crisis intervention, referrals and support to anyone impacted by sexual violence. Interpreting service provided in 150 languages.

COUNSELING
Trained staff and licensed therapists help survivors address the impact of post-traumatic stress on their health and well-being.

EDUCATION & OUTREACH
Community educators offer information about the cause, impact, and prevention of sexual violence.

24-HOUR MOBILE CRISIS TEAM
Professionally trained advocates offer information and support to survivors on an appointment basis as they navigate the impact of sexual violence on their daily lives.

REFERRAL & CRISIS SERVICES
Our team provides 24-hour response to Salt Lake County hospitals and outpatient clinics to support survivors after an assault.

GROUPS
Survivors join one another on the healing journey through a variety of therapy and support groups.
