

Thank you for supporting our kids and families! We are sincerely grateful.

Serving in a hospital, we handle donations a little differently than other not-for-profits. Our focus must be health, safety & privacy of our kids. As you plan for your toy drive, please remember a few important things:

- ALL DONATIONS MUST BE **NEW & UNWRAPPED**
- We cannot accept religious items, food/candy, toys that depict violence, latex toys/balloons, crocheted/knit blankets (*can catch on equipment*) or gently used items (*or stored away items*)
- We cannot allow room-to-room delivery of gifts/donations
- **Two highest patient needs:** Babies (*0-18 months*) and teens (*12 and older*)
