## BRIDGE

I'm opening up like a flower in the sunlight  
So is my heart in the presence of my King  
I'm shaking it off, all these shackles that held me  
For Jesus is greater than any measly chain  
I'm shaking it off, I'm going to run a good race  
Free of all hindrance, for Jesus broke my chains

## BRIDGE 2

This stone cold heart, it don't own me anymore  
There is life, new life, within me

(REPEAT X3)
