## ***IMPORTANT DATES FOR MOUNT2000 REGISTRATION***

**\*Saturday November 4, 2017 at 9:00am EST\***

### ***The Application for Requesting a Spot Opens:***

- ❖ Due to the high demand for Mount2000, we have groups first apply for the opportunity to register. Unfortunately, the high demand means that applying for a spot does not guarantee any group the opportunity to apply for registration.
- ❖ We have an application to be as fair as possible - to operate on a “first come, first considered” basis.
- ❖ To learn more about how the application works, you can find a sample of the request form [here](#).

Monday November 6, 2017

### ***Primary Registration Opens:***

- ❖ Once all the requests have been submitted, we inform which groups are invited to register and which groups will need to wait until Dec. 7<sup>th</sup>.  
Please note that being placed on the waitlist ***does not mean*** that you will not be able to attend Mount2000. It simply means that ***you will have to wait until December 8<sup>th</sup>*** to see if you are able to register then.
- ❖ Groups who are in primary registration ***have exactly one month (Dec. 6<sup>th</sup>)*** to ensure that all members of their group are registered online.

Wednesday November 15, 2017
