Deborah Santiago, is the co-founder and Chief Executive Officer of Excelencia in Education. For more than 20 years, she has strategies from the community to national levels to improve educational opportunities and success for all students. She co-founded Excelencia in Education to inform policy and practice, compel action, and collaborate with those committed and ready to act to increase student success.

Plenary Session Title: SERVING Students for Success: Equity with a Latino Lens

Description: Serving students—especially Latino students—requires intentionality in addressing strengths and needs informed by disaggregated data, improved with evidence-based practice and guided by leadership commitment. This presentation will share a perspective and experiences from institutions committed to building communities where post-traditional students thrive.
