The Legal Aid Society of San Mateo County fights social injustice through civil legal advocacy for people living in poverty. With your support, we provide legal assistance for the poor, the elderly, veterans, families in crisis, immigrants: those who are most in need of accessing the basics of life.

Last year, Legal Aid opened over 2,000 cases, impacting more than 6,200 people, including children and seniors.

The median household income of our clients was under $19,000, which is barely one-fifth that of all San Mateo County households.

More than a third of our client households include an adult or child with a disability.

More than a quarter of our clients are age 60 or older.

Thank you for standing strong for seniors, veterans, families in crisis and children seeking access to justice.
OUR THANKS
To the 2019 leaders who allow us to stand strong for thousands of low-income clients

The Legal Aid Golf Classic is an important source of the funding that fuels our work.
YOUR DONATIONS AT WORK

NADIA mentioned to her daughter's doctor that she was concerned about Alexa's schooling. Alexa was still reading at a first-grade level even though she was halfway through third grade. The doctor referred Nadia to Legal Aid. The attorney met with Nadia and reviewed Alexa's IEP. After Legal Aid got involved, the school agreed to provide Alexa with a reading intervention specifically designed for students with reading disabilities. The school also agreed to provide Alexa with a tutor over the summer. Your gift to Legal Aid gave Alexa and her family what they needed: an attorney who listened to their concerns, explained the process, and advocated for Alexa. You helped Alexa learn to read.

ARIANA waits tables and is enrolled in a real estate program in her local college. Ariana is also a DACA recipient, who was brought to the United States when she was just 14 years old. DACA has allowed Ariana the opportunity to work, go to school, and plan for the future. When it was time to renew her DACA, Ariana came to Legal Aid. At Legal Aid Ariana received the help she needed to complete her application, and even got help paying the $495 application fee. Recently Ariana learned that her DACA renewal application was approved. She’s on track to graduate and looks forward to starting her professional career. Your gift is connecting Ariana to the future she’s working so hard for. You’re keeping Ariana's dreams alive.
