Painting with Weird Stuff:
Fork Flowers

Supplies:
• White Paper
• Paint (various colors)
• Paint brush (for details)
• Assorted kitchen utensils, but definitely forks! - Try different things, and different sizes

Things to think about:
• How many different marks can I make with the same tool?
• Try to make a flower I've seen before
• Try to make up a totally new flower that you've never seen before
• How does my bouquet of flowers look all together

Famous bouquets for inspiration!

Vincent van Gogh, *Sunflowers*, 1889
